How to Restart
Your Micro Market

To Restart a Kiosk:

1 Power off / unplug the kiosk.

2 Wait 15-20 seconds.

3 Power on / plug the kiosk back in.

** The kiosk will boot up to the welcome screen.

To Restart a Smart Lock:

1 Power off the smart lock.

2 Wait 15-20 seconds.

3 Plug the smart lock back into power.

** If the lock is connected there will be a red/green light.

To Restart a Cooler Cafe:

1 Insert a paperclip into the pinhole on the right-hand side for 5 seconds.

2 The terminal will restart.
